

April 2014

## ***CURRICULUM VITAE***

**ROBERT J. MYERS**

### ***ADDRESS***

Department of Agricultural, Food, and Resource Economics  
Justin S. Morrill Hall of Agriculture  
446 West Circle Dr., Room 308  
East Lansing, MI 48824-1039

Phone: 517/432-3649  
Fax: 517/432-1800  
Email: myersr@msu.edu

### ***PRESENT POSITION***

University Distinguished Professor, Department of Agricultural, Food, and Resource Economics,  
Michigan State University.

### ***PAST POSITIONS***

Professor, Department of Agricultural, Food, and Resource Economics, MSU.  
Associate Professor, Department of Agricultural, Food, and Resource Economics, MSU.  
Assistant Professor, Department of Agricultural, Food, and Resource Economics, MSU.  
Senior Lecturer, Department of Economics, University of Queensland.

### ***EDUCATION***

Ph.D. University of Minnesota, 1986.  
M.Ec. University of New England, 1982.  
B.Ag.Ec. University of New England, 1979.

### ***AREAS OF INTEREST***

Finance and commodity risk management, commodity price analysis and policy, applied  
econometrics, dynamic programming, food and agricultural policy

## **AWARDS AND GRANTS**

University Distinguished Professorship, Michigan State University, 2005.

Best Journal Article Award, Australian Agricultural Economics Society, 1985. Article title: "Effects of Past Australian Wheat Price Policies on Key Industry Variables." *Australian Journal of Agricultural Economics* 29(1985): 1-15 (with R.R. Piggott and T.G. MacAulay).

Outstanding Ph.D. Thesis Prize, American Agricultural Economics Association, 1986. Thesis title: "Economic Inefficiency Under Uncertainty and the Effects of Ideal Risk Markets in U.S. Agriculture."

Outstanding Masters Thesis Prize, Australian Agricultural Economics Society, 1982. Thesis title: "An Economic Evaluation of Australian Wheat Pricing Policies."

Research initiation grant from Michigan State University to study long memory models of commodity prices, awarded 1999 (with Richard T. Baillie).

National Research Initiative grant from USDA to study structural change and regional production shifts in the U.S. pork industry, awarded 1995 (with Steven Hanson).

Disciplinary research grant from the Michigan Agricultural Experiment Station to study economic linkages between agriculture and the environment, awarded 1994 (with Steven Hanson, Scott Swinton and Eileen van Ravenswaay).

Research initiation grant from Michigan State University to study conditional variance models of commodity prices, awarded 1987 (with Richard T. Baillie).

Research grant from Center for the Study of Futures Markets, Columbia University, to study conditional variance models of commodity futures prices, awarded 1988 (with Richard T. Baillie). Research Associate of the Center, 1988.

Resources for the Future Dissertation Fellowship in Food and Agricultural Policy, 1985. One of two grants awarded in a national competition.

## **PROFESSIONAL ACTIVITIES**

Editor, *American Journal of Agricultural Economics*, 2000-2004.

Associate Editor, *American Journal of Agricultural Economics*, 1996-1999.

Associate Editor, *Review of Agricultural Economics*, 1992-95.

Referee for the *American Journal of Agricultural Economics*; the *Journal of Econometrics*; the *Journal of Environmental Economics and Management*; *Applied Economics*; the *Journal of Applied Econometrics*; the *Review of Agricultural Economics*; the *Journal of Futures Markets*; the *Journal of Economic Development and Cultural Change*; the *Journal of Empirical Finance*; the *Australian Journal of Agricultural Economics*; and the *Journal of International Forecasting*.

Seminar presentations at Iowa State University; Michigan State University; North Carolina State University; Oregon State University, the University of Arizona; the University of Minnesota; the University of Wisconsin; Oregon State University; Virginia Polytechnic and State University; the University of Guelph, Canada; the University of New South Wales, Australia; the University of Queensland, Australia; the University of Sydney, Australia; and the University of New England, Australia.

Papers presented at SERA-IEG-31 conference on Risk in U.S. Agriculture, 2001; the conference on Global Agricultural Science Policy for the Twenty-First Century, Melbourne Australia, 1996; at the Chicago Board of Trade Spring Research Symposium, Chicago, 1994; at the pre-conference symposium on Risk Management in Agriculture at the 1994 American Agricultural Economics Association Summer Meetings, San Diego, August 1994; at the American Agricultural Economics Association Summer Meetings, August 1987, August 1989, August 1991, August 1992, August 1994, August 1996, August 1997, and July 2005; at the Australian Agricultural Economics Society Summer Meetings, February 1993; at the NCR-134 conference on Applied Commodity Price Analysis, Forecasting and Market Risk Management, April 1987, April 1988, April 1993, and April 1996; at the Allied Social Science Association Meetings, December 1988; at the Chicago Board of Trade Annual Fall Research Seminar, August, 1993; and at the Agricultural Research Symposium on Agricultural Stability and Farm Programs, North Carolina State University, May 1987.

Member of the Agricultural and Applied Economics Association and Australian Agricultural and Resource Economics Society.

Agricultural and Applied Economics Association Outstanding Ph.D. Selection Committee, 1989, 1996, 1997, 1998, and 1999.

Agricultural and Applied Economics Association Communications and Publications Committee, 2001-2004.

Consultant to the World Bank.
